Check Yourself

- Review protocols and screener with parents before school.
- Stay home if not well, and report illness to school office.

2

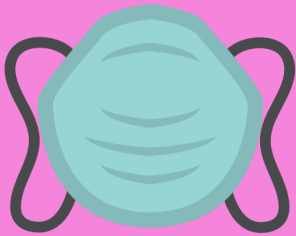

Elevate Hygiene

- Frequently wash hands with soap and use hand sanitizer.
- Clean instrument and mouthpiece before and after every music event.
- When indoors, use a training pad or rag to collect spit valve contents. Dispose of the pad and wash the rag after every music event.
- Never share anything!

scan me!

3

Mask Everything

Always.

When not playing. Always use bell covers and shields.

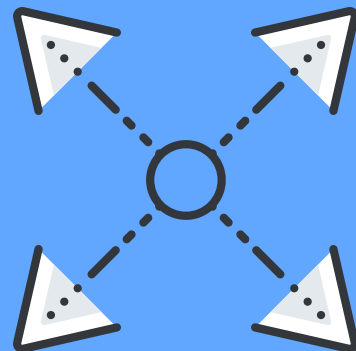

5

Act Efficiently

- Follow rehearsal and performance protocols.
- Quickly follow band director and leadership instructions by being punctual and brisk.
- Go more than a million miles!

4

Social Distancing

- Stay 7.5 feet or 2.5 yards from others.
- In the band room, chairs are spaced out.
- On the field, use yard lines to check spacing.
